

Professor Renu John

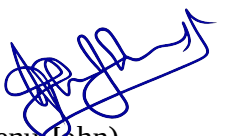

Department of Biomedical Engineering

TO WHOMSOEVER IT MAY CONCERN

This is to certify that **Paras Palawat**, a student of **Computer Science & Engineering** at **Eshan College of Engineering**, has successfully completed a summer research internship at the Department of Biomedical Engineering, Indian Institute of Technology (IIT) Hyderabad, under the mentorship of Prof. Renu John, **15th May to 15th July**, spanning a duration of **Two months**.

During this period, he worked in the Medical Optics and Sensors Laboratory on a project titled “**Foundation Model-Based Annotation, Detection, Segmentation, and Classification of Cervical Cells for Pap Smear Cytology**” He actively contributed to system integration tasks and demonstrated a strong understanding of biomedical instrumentation and imaging technologies throughout the course of the project.

We wish him continued success in all his future academic and professional endeavors.
